

DM Assignment Prompts

- For each decision-making activity we do, provide written responses to the following prompts:
 - For Problem(s):
 - (F) What is the underlying problem? Why is this situation a concern for you?
 - (R) What are your overarching goals? What results of the current problem would best serve your overarching goals?
 - (A) What other situations is this situation like? What analogies come to mind?
 - (M) After thoughtfully considering likely outcomes and possible unintended consequences of different options, which option do you choose and why?
 - For Outcomes:
 - (E) Compare your expectations & actions to the actual outcomes. To what extent did events unfold as you expected? What surprised you? What was important to actual historical actors? To what extent did you share those priorities?
