

Lunchroom Fight: 4QM Practice Scenario

Background Information

You are Mrs. Galante and you are trying to figure out the truth about a lunchroom fight. The fight was between Justin and Max. Justin is a new student. He is shy, quiet, and does not have many friends. He moved to town last month because his mother was hired as the new CEO of iRobot. Justin's mother fired many people, including Max's parents, when she reorganized the business. Max is a popular student, who is known for his friendliness and good humor. In the past few weeks, however, he has been withdrawn and somewhat depressed.

The Sources

- Justin: "That kid started it. Max. I was just standing in line waiting to pay for my food, and he shoved me super hard. And, like, for no reason. He just freaked out on me. I don't even know the kid, and he's been weird to me ever since I started going to this school. He and his friends glare at me in English class for no reason."
- Max: "That kid is psycho. He turned around and punched me out of nowhere. Me and my friends were standing in line just joking around, and he turned around and punched me for no reason. He's messed up and a creep. Ask anyone."
- Eric (Max's best friend): "The new kid definitely started it. He really just attacked out of nowhere. He's a freak, and he seriously thinks he's better than everyone because of his mom."
- Anthony (bystander): "I was pretty far back in the line, but Max and his friends were being kind of loud and joking around. I couldn't really hear what they were saying. And then all of a sudden I saw people pulling Justin and Max apart."
- Megan (Max's girlfriend): "I wasn't there. All I can say is that Max has been really different lately and kind of mean. I don't know what's going on, but he's not himself."
- Cafeteria worker: "The group of boys were pushing each other around. I think it was an accident, and one of them pushed into the new boy, and he took it the wrong way."
- Max's Dad: "Max would never start a fight. He's the sweetest boy. I know he's had a hard time lately with me and his mom losing our jobs, but he still would never start a fight with anyone. He's a mentor to the younger boys and helps out at church. You can ask anyone in town."
- Justin's Mother: "I can guarantee 100% that Justin would never lay a finger on anyone unless he was really provoked. Trust me. And I know because we've had to move around quite a bit in the last few years because of my job, so unfortunately, Justin knows what it's like to be the new kid. And I've watched him go through these adjustment periods at each new school. He just lies low, and pretty soon the other kids see what a great kid he is. So I know as a fact that Justin wouldn't stir up trouble. It's really not in his nature."
- Jamie (student in English class with Max and Justin in the period right before lunch): "I wasn't in the cafeteria today, and I'm not friends with any of those guys, but I've seen Max and his friends be mean to Justin in the hallways and in class when Mr. Hebert isn't looking. Not physical or anything, but they'll like say jokes under their breath and then laugh and stuff like that. They make him uncomfortable."
- English teacher (Berlino): "To be completely honest, I'm not surprised that this happened. There has been a lot of tension in the school and in the town, in general, with the reorganization plan. A lot of people are very upset with the decisions of the new management to fire people, and I must say that I myself am very surprised that they've done this. It's a tremendous strain on the community, and I feel for all the boys."
