

World War II Video Sources Permission Slip

Dear Parent/Guardian:

A focus of the upcoming Modern American history unit on World War II is morality in the context of war. As part of this focus, I would like to show the film, *Saving Private Ryan*. Though this source is strong, it does contain harsh language and graphic violence. In part, the harsh language and graphic violence support the theme of morality in war. If you agree to let your student view this film please check the appropriate box and sign below. If you do not want your student to view these films, please check the appropriate box below. I will exempt your student from doing so and provide an alternative assignment.

- I give permission to allow my student to view the rated R film *Saving Private Ryan*

- I do NOT give permission to allow my student to view the rated R film *Saving Private Ryan*. I understand that my student will be exempted from viewing this film and will receive an alternative assignment.

If you have an questions or concerns, feel free to contact me. My e-mail address is: james_sunderland@bedford.k12.ma.us. My Bedford High School phone number is 781-275-1700 x8055.
